Vehicle Delivery Checklist

Vehicle Preparation:

- Fuel:** Federal regulations (CFR 176.905[d]) require that there is less than ¼ tank of fuel. Propane tanks must be empty.
- Loose Items and Personal Effects:** Remove all loose items and personal effects from the vehicle, including the trunk. If you wish to ship personal effects, the cargo must be packed for export and SEACOR Island Lines will ship that cargo as LCL at an additional cost. An itemized Packing List with an estimated value per box is required by US Customs.

Any part / item that would normally be permanently installed in / on the vehicle, but is loose or not bolted in, should be removed.

- Vehicle Measurements:** Will be verified by our Receiving Agent. In the event of a discrepancy between your measurements and ours, you may request a re-measurement prior to signing the Dock Receipt. Your signature acknowledges the accuracy of the measurements recorded on the Doc Receipt, and will be used to compute the price of shipping your vehicle.

No change to measurement figures will be allowed after our acceptance of your vehicle for shipment.
